

# RACK 'EM UP!

with Sopo Bicycle Cooperative

**To promote cycling as a mode of transportation in Atlanta,** the Sopo Bicycle Cooperative is encouraging local businesses to install bicycle parking racks. Bicycle parking is mutually beneficial to businesses and cyclists because cyclists prefer to shop at businesses with convenient and secure parking.

**For more information:**

contact Scott Ehardt at 404-425-9769 or [scott@sopobikes.org](mailto:scott@sopobikes.org)

**Options:**

Our racks come in 5, 7, or 9-bike capacities. We can install racks in a variety of surfaces including concrete, asphalt, and flower beds. The prices below include installation at your location by Sopo members!

5-bike \$180

7-bike \$212

9-bike \$234
